Manuscripts will not be returned unless specifically requested.

Comments and suggestions regarding the content of this publication are invited.

As it is one objective of the DEPAUL JOURNAL OF HEALTH CARE LAW to be a forum for the free expression and interchange of ideas, the opinions and positions stated in signed material are those of the authors and not by the fact of the publication necessarily those of the editors or of the Health Law Institute of DePaul University. Contributing authors are requested and expected to disclose any financial, economic or professional interest or affiliation that may influence positions taken or advocated in their articles. That they have done so is an implied representation by each author.
