# SHEPARD'S CITATIONS

*The Indispensable Service . . . . .*

Accuracy and up-to-date information — an unbeatable combination — are what SHEPARD'S offers you when showing the present-day value of case and statutory law.

SHEPARD'S eliminates the dangers of incomplete, haphazard individual research. It also eliminates the consideration of unrelated matter.

It points the way to a direct line of investigation and yields complete, pertinent and reliable references to judicial and legislative authorities.

That is why for more than a century lawyers all over the country have been using SHEPARD'S —  
TO BE SURE.
