¹ This bibliography is the result of the fusion of three "bibliographies": one, published in *Vincentiana* 40 (1996) 116-117, in note 8 of the article of L. Mezzadri: "Martyrdom in the History of the Church and that of John Gabriel Perboyre"; another, send to the editor of *Vincentiana* by Fr. Lamblin; and the last joining to these two "bibliographies" the titles, some of small publications, which were missing and which are in the library of the General Curia of the CM in Rome. One can note the abundance of "bibliography" at the time of the beatification (1889) and the canonization (1996).
