Lesson Plan 1:

1. Students should be read background information contained on Global Gateway site (click on Portals to the World- Brazil-history-a brief history of Brazil). This will give students an idea of what life is like in Brazil.

2. Give students a chance to absorb the information and allow them to ask questions and share their thoughts.

3. Group students in five groups.

4. Present Power Point presentation.

5. Allow groups time to begin exploring their assigned site.

6. Pass out questions for each group and explain that each person should have a job such as a writer or typist for example.

7. Allow groups time discuss questions. The answers should first be neatly written (there can be more than one writer) and then typed. (there can be more than one typist)
Lesson Plan 2:

1. Review the assignment.

2. Allow students time to complete questions and begin working on presentations. Presentations should be clear and as creative as possible.

4. Students should be allowed to ask presenters questions.

5. Students should write what they liked and disliked about each groups presentation and share with the group. (They should not write their names on the critique and also consider classmates feelings)
