The Faculty Director’s Page

A debt of gratitude is owed to the Nuremberg International Military Tribunal defense counsel not only for their masterful contributions to this issue but also for their having had their works translated into English at their own considerable expense. Their works are major legal and historical documents, and De Paul University is indeed fortunate in owning the copyrights to them.

The preceding issue received accolades of acclaim. Accounts about the issue appeared in the Chicago Tribune, the Chicago American, the New York Times, and two hundred other American newspapers.
